

# INLAY COLLECTION

An exclusive collection of doorsets designed by Doorsan

Natural wood with custom stain and paint finishes

FD30 fire rated solid and glazed options

The beading on glazed doors allows for pocket system installation

Inlays can be finished in metallic colours of your choice

We manufacture doorsets to your specifications

Door core construction that guarantees no edge lipping blow-outs

Doorsets are designed for accuracy of installation, with all fixings

hidden during installation, resulting in a seamless finish.
